

TECHNICAL DATA SHEET

Code: SG-06-RP-740
Revision:3

PRODUCT: ALU F4007L IPA

DESCRIPTION: Leafing aluminum pigment in paste.

Irregular flakes of small particle size, hiding powder

Solvent: isopropyl alcohol.

CHARACTERISTICS	TESTING METHOD	SPECIFICATIONS
% Leafing	SG-04-MA-032*	© 70 -85
% Non-Volatile Content	ASTM D-480-88	70±2
% Volatile Content	ASTM D-480-88	30±2
Average Particle Size D-50 (microns)	SG-04-MA-029*	7± 1
Application**	SG-04-MA-041*	Similar to standard

* **Internal Method

**In the applications' appearance evaluation, compared versus standard it observes the following characteristics: Whiteness, brightness and opacity.

COMPLEMENTARY INFORMATION:

- MSDS: SG-07-RP-740
- Expire: 6 months
- Recommendation for use: SG-08-RP-740
